## 2023 Member and Registration Information

- \*\* Membership in the GCTA gives you access to the locked facility with the use of an access code, and includes the ability to reserve court time at no extra charge.
- \*\* Programs begin June 26 and run for 7 weeks. An additional week of game play may be added.
- \*\* The online court reservation system should be set up and running before the season starts.
- \*\* The senior and family lawn sport area includes activities such as bocce ball, horseshoes, croquet, shuffleboard and more.

### PROGRAMS

**LE PETIT:** This program is an entry level tennis program for children turning 4 in the current year to children just finishing kindergarten. Participants are introduced to the game of tennis through story telling and imaginative play. Unique appropriately sized equipment is provided for the program. Le Petit runs 4 days a week at different times each day.

**JUNIOR:** Our junior program is for school age children who have just completed grade one or higher. Players are grouped by school grade just completed and from time to time by ability as well. Junior program classes run 4 days a week at different times each day and include instruction and game play.

**HIGH SCHOOL/UNIVERSITY:** This group has been set up so that those with summer jobs can participate in tennis around their work schedules. Players may attend the 7-12 grade classes or the adult programs. On Thursday evening there is game play session dedicated to this group.

**LADIES' LESSONS:** In this program lessons are provided twice a week for 90 minute sessions each and include a combination of instruction and game play. Players may be divided according to level of play depending on those participating.

**MEN'S LEAGUE:** These sessions are set up as drop in doubles and singles game play. Occasional group lessons from a guest coach may be provided.
